## Sansa Car Transmitter... listen to your Sansa MP3 player's music through your car radio

- Ideal for listening to the music on your Sansa MP3 player wirelessly through your FM car radio
- Includes convenient holder (cradle) with flexible steel neck for easy positioning
- Choose any unused FM frequency (between 88.1 and 107.9 MHz) for clear sound anywhere

- Custom cradle includes three programmable preset buttons to switch easily between preferred transmission frequencies
- Attaches to standard cigarette lighter output, saving your player's battery life

## Sansa Speaker Dock... for turning your Sansa MP3 player\* into a compact boom box

- Share and listen to your Sansa MP3 player's music anywhere in or around your home or office with high-quality stereo sound
- No plug outlets required
- Get superior stereo play back with other MP3 players (with included audio cable) or any device with a 3.5mm (standard) headphone jack such as laptops and portable CD or DVD players
- USB pass through connection for fast data transfer

\*Works with both Sansa e100 series and Sansa m200 series MP3 players

## Sansa Earphones...for superior stereo sound with a comfortable fit

- High-performance stereo headphones for your Sansa e100 Series MP3 player
- Close fit provides premium deep bass sound
- Soft silicone rubber earbuds provide stability and comfortable fit

## Sansa Carrying Cases... for protecting your Sansa MP3 player in style

- Attractive leather or high-grade silicone carrying cases for your Sansa e100 Series MP3 player
- Available in black or red leather, or blue, white, pink or green silicone
- Includes convenient belt clip for hands-free listening
